● ABOUT ME

Note: If your candidate selection criteria strictly require a formal degree, kindly skip this CV. I believe that my skills and knowledge have been shaped more by practical experience and self-learning than by formal education.
Hi there! I'm **Sabir Ud Din**, a skilled **MERN stack Developer** who loves turning ideas into awesome websites. With 3 years of experience in this field I make websites not just work, but look fantastic too. Always learning the coolest stuff in web development, and currently adding BlockChain to my toolkit for even cooler things. I'm not just about code ,I'm big on people skills too. Let's build something amazing together.

● WORK EXPERIENCE

1 DEC 2022 – 1 MAY 2023 Kohat
NODE.JS INTERN (CONTRACT) UZAIR TECH

As a Node.js intern at Uzair Tech, I gained hands-on experience in backend development, working closely with senior developers on various projects.

1 MAY 2023 – CURRENT Kohat, Pakistan
BACKEND DEVELOPER (NODE.JS) BRANDORA AGENCY

contributed projects at Brandora Agency, including SendApp, Projex, and discussApp , i also work on several more projects but these are tuff projects for me and i excitedly work on that . These projects are comprehensive management and team collaboration tools designed to streamline collaboration and enhance productivity within teams. i also did integration of their APIs with the React.js frontend.

● EDUCATION AND TRAINING
