ABOUT ME

Note: If your candidate selection criteria strictly require a formal degree, kindly skip this CV.

Hi there! I'm Sabir Ud Din, a skilled **MERN Stack Developer** who loves turning ideas into awesome websites. With 3 years of experience in this field I make websites not just work, but look fantastic too. Always learning the coolest stuff in web development, and currently adding Blockchain to my toolkit for even cooler things. I'm not just about code, I'm big on people skills too. Let's build something amazing together!

WORK EXPERIENCE

Backend Developer (Node.js)

Brandora Agency [1 May 2023 – Current]

City: Kohat | Country: Pakistan

At Brandora Agency, I contributed to several projects including SendApp and Projex. SendAppProjex & discussApp is a comprehensive communication and project management tool designed to streamline collaboration and enhance productivity within teams. Also did integration of these projects with REACT FrontEnd.
